Need a Good Lawyer? Visit LawyerRatingZ.com

SUNNYVALE, Calif., May 11, 2005 – Where do you turn when you need a lawyer? Most legal referral services are operated by lawyers, and do little to screen the participating members. LawyerRatingz.com allows users to read (and post) independent ratings and reviews of attorneys. Lawyers are rated on knowledge, communication, tenacity, work quality, and value.

RatingzSM Inc, an Internet company formed to provide consumer ratings for a wide range of services, created LawyerRatingz.com. Patrick Nagle, President of Baltimore Solutions Inc and founder of SwitchTextbooks.com will operate the site.

Ratingz, Inc President John Swapceinski is also the founder of RateMyProfessors.com, America's number one rating site among college students, and a co-founder of RateMDs.com, RateMyTeachers.com, and ClubRatingz.com. Swapceinski said, "The tremendous popularity of RateMyProfessors has demonstrated the unmet demand for ratings and reviews for all sorts of services. We think the legal services market is ready for online ratings."

"Our service eliminates the guesswork when choosing an attorney," adds Baltimore Solutions, Inc. President - Patrick Nagle. "Before buying a car, look under the hood. Before choosing your next attorney, use LawyerRatingz.com."

Visitors to the new website can praise or pan attorneys by leaving ratings and comments. They can check out lawyers by reading the comments left by previous visitors.

The site is also useful for law firms, who gain valuable client feedback. LawyerRatingz.com is free of charge to all users.
