RestaurantRatingz.com offers Tasty Reviews!

SUNNYVALE, Calif., July 13, 2005 – Want to check out a restaurant *before* you spend your money? Visit RestaurantRatingz.com for ratings and reviews of restaurants and cafés throughout the United States. Unlike many online rating sites, RestaurantRatingz makes it easy to add reviews. You don't have to sign up or wait for approval – reviews are instantly posted on the site. Moderators scan the site to remove inappropriate reviews, and users can "flag" reviews for moderator attention. The site currently features over 37,000 online reviews.

RestaurantRatingz was launched by RatingzSM Inc, the Internet consumer ratings company. Ratingz Inc President John Swapceinski is also the founder of RateMyProfessors.com, America's number one rating site among college students, and a co-founder of RateMDs.com, RateMyTeachers.com, and LawyerRatingz.com.

Swapceinski said, "The tremendous popularity of RateMyProfessors has demonstrated the unmet demand for ratings and reviews for all sorts of local businesses."

"RestaurantRatingz is also a great complement for our previous site, ClubRatingz.com," add Bob Nicholson, VP of Marketing. "People are always looking for new places to try, whether it's a place to eat or a place for entertainment."

Visitors to the new website can praise or pan restaurants by leaving ratings and comments, and they can read the comments left by previous visitors.

The site is also useful for restaurant owners, who gain valuable customer feedback. RestaurantRatingz.com is free of charge to all users.
