ClubRatingz.com Announces 2006 Top American Clubs Awards

SUNNYVALE, Calif., January 8, 2006 – RatingzSM Inc, operator of the ClubRatingz.com website, announced today its selection of the 25 top clubs in the United States, based on ratings and reviews submitted to ClubRatingz.com.

According to Bob Nicholson, VP of Marketing for Ratingz Inc, the award selections take into account the ratings and comments submitted by site users, as well as the frequency of ratings. “We wanted to recognize clubs that sustain a high-quality operation over time.”

Nicholson adds that it’s difficult to compare the winners because they are so diverse. “Some are major performance or dance venues, others are neighborhood bars. We have winners in small towns and big cities, and in states all across the US. The common thread is a commitment to customer satisfaction.”

ClubRatingz.com was founded in March 2004, and is the number one¹ rating and review site for nightclubs and bars.

Visitors to the site can praise or pan nightclubs and bars by leaving ratings and comments. They can check out other clubs by reading the comments left by previous visitors.

The site is also useful for club owners and managers, who can find out what their customers really think about their clubs. ClubRatingz.com is free of charge to all users.
