

CampRatingz.com Releases Top Rated Camps List for 2012 Season

SUNNYVALE, CA - March 20, 2012 - CampRatingz.com, a website which provides "Real Opinions from Seasoned Camp Families," has released their top rated lists, just ahead of the 2012 camp season.

Data was compiled based on user ratings of the following criteria:

- Staff
- Facilities
- Activities
- Personal Attention
- Monetary Value

This free site allows anyone to post and read independent reviews of all types of summer programs in the U.S. and Canada. Since their launch in 2006, CampRatingz.com has accumulated nearly 23,000 ratings of over 4,400 camps.

The website has a sophisticated system that detects user spam or multiple ratings by the same user and weeds out those ratings.

Attached are National and Northeast US ratings for overnight camps. Ratings for other geographical areas can be tabulated by visiting our search page: <http://www.campratingz.com/search.jsp>. The results list will appear in rating order, which takes into account each camp's number of ratings and average score.

CampRatingz.com was launched by Long Island mother Laura Miller, along with internet entrepreneurs John Swapceinski, (founder of RateMyProfessors.com) and Bob Nicholson.
