

Ratingz Inc Acquires Funeral Home Directory Website

SUNNYVALE, CA – May 17, 2012 –Ratingz Inc, which operates over a dozen rating sites (such as LawyerRatingz.com, CampRatingz.com, and VetRatingz.com) has recently acquired *TheFuneralSite.com*, a funeral planning resource site.

TheFuneralSite.com also includes **National Registry of American Funeral Homes**, a searchable, independent directory of funeral homes. Since acquiring the site, the company has revamped it; the site can now accept enhanced listings from funeral homes.

The new site will complement Ratingz Inc's existing site, *FuneralHomeRatingz.com*, but the two sites will be operated independently.

Ratingz company spokesman Bob Nicholson said, "This is our first venture into a pure directory type of site. We're moving cautiously to build a site that serves people with sensitivity and professionalism."
